

# MELLOW MOCHA MALLOW

*You will need:*

- 12 large marshmallows
- 1/2 cup water
- 1 1/2 teaspoons instant coffee granules
- 1/2 cup heavy whipping cream, whipped
- 1/3 cup chocolate wafer crumbs

*Directions:*

Set aside 2 teaspoons wafer crumbs for topping. In a saucepan over medium heat combine marshmallows, water and coffee granules, stirring often until marshmallows are melted.

Allow to cool completely, and then gently fold in whipped cream. Spoon 3 tablespoons of marshmallow mixture into each glass; then top with 1 tablespoon wafer crumbs.

Repeat layers. Top with remaining marshmallow mixture and sprinkle with reserved crumbs. Refrigerate well before serving.
